make a statement

A collection of our chic black and white finds for your kitchen, pantry and table.

1. A FRIEND OF CHEESES

WHAT Harvested before their shell forms and then pickled, Opie's Pickled Walnuts are just the thing for rich cheeses.

2. DINNER PARTY STARTER

WHAT Galateo & Friends Assolo extra-virgin olive oil, Miller's Damsel and The Fine Cheese Co. charcoal crackers.

3. THE PERFECT SLICE

WHAT The new KitchenAid Artisan ExactSlice Food Processor makes short work of slicing, shredding and more.

4. THE NEW PANTRY STAPLES

WHAT Black rice, quinoa and lentils make a stunning and wholesome addition to your cooking repertoire.

5. STORAGE SOLUTIONS

WHAT These porcelain storage pots come with a handy chalkboard label, so you can simply write the contents straight onto the jars. Nifty.

6. SMALL SERVES

WHAT The beauty of these stoneware mini casserole pots from Le Creuset is they make great serving dishes for both savoury and sweet things, like soufflé.
